| Rehearsal Notes: Short rehearsal to complete blocking for Pandora's last 2 scenes. Discussed that Alicia can play with Pandora's involvement during scenes but should return to original spot at end of scenes for now. Once that was done, Anthony and Alicia started running lines. | | Lights: <ul style="list-style-type: none">As it is currently staged, any special lighting in the box for Hope will not start until Pandora's line on p.55, "Something with feathers..." and she will pick up the LEDs after Hope's line "Carry me," on next page. |
